7. League Regulation - Click Edit then click League Regulation.

a. Set League Name and set the regulation then click Update.

A screenshot of a dialog box titled "League Name and Regulation". The dialog box contains several input fields and buttons. At the top, there is a "League Group Regulation" section with a "Select League Name:" dropdown menu. Below this, there are four input fields: "Full Time Out" (1st: 1, 2nd: 1), "OT Time Out" (1), "Penalty 1" (7), and "Penalty 2 Shots" (10). There is also a "Player Fouls" section with a "Player Maximum Foul To Give:" input field set to 5, and a "Number of Quarters" dropdown menu set to 2. At the bottom right, there are "Cancel" and "Update" buttons. A red warning message at the bottom of the dialog box reads: "League Regulation will take effect after you reload a season!".

## 9. Score Form Descriptions

The screenshot shows a basketball score form interface with various controls and data fields. The interface is divided into several sections:

- Left Side (Player Roster):** A list of player jerseys with names and jersey numbers. Each player has a 'Foul' column with '+' and '-' buttons and a 'Points' column with '1', '2', and '3' buttons.
- Center (Game Summary):** A central area showing the current score (4-3), quarter (Q1), and time (0:03.36). It also includes a 'Set Quarter' section with buttons for Q1, Q2, Q3, Q4, OT, and End of Game. Below this are 'Box Score' and 'Warning' sections.
- Right Side (Team Four Roster):** A list of player jerseys for the opposing team, similar to the left side, with 'Foul' and 'Points' columns.
- Bottom (Game Summary Log):** A scrollable log showing game events such as '10:53:59 AM 10:53:59 AM Start QTR1', '10:55:39 AM test3 +1pt. Tot: 1', '10:55:45 AM test2 +1pt. Tot: 1', '10:55:47 AM test2 +2pts. Tot: 3', '11:15:46 AM 11:15:46 AM Start QTR1', and '12:05:40 PM 12:05:40 PM Start QTR1'.
